

ADOPT A CLIENT PROGRAM

Print out this form and mail it to the address below

Non Residential Support Services (NRSS) have been totally cut from local and federal budgets. This means that none of our Monroe Association for ReMARCable Citizens (MARC) Clients are funded for activities outside of the work place or home. Activities such as visiting the Petting Zoo, going to church, swimming with dolphins, joining in community activities, going to the movies or out to lunch - all of the activities you and I do which make our lives whole.

MARC is dedicated to helping all of our clients lead full and normal lives - inclusion in the community is vital part of this help. As little as \$10 a month for a client can make all the difference to staying in the group home all the time or going out for an ice cream, to the beach or on a picnic.

If you would like to make a difference please return the form below with your donation.

We sincerely thank you.

The MARC Family.
